Lesson Plan

Pety Cheket

- **Pre-teaching Activity (20 minutes)**
 1. Greeting the students
 2. Checking the attendance list
 3. Introduction:
 - Telling the students that they are going to study about code mixing by watching a video (vlog) *about ...*
 - Explain^{ing} the purpose of study or activity about watching or analyzing video (vlog)
- **Whilst Teaching Activity (50 minutes)**
 1. Teacher explains the instruction about the activity
 2. Teacher gives brief explanation about what code mixing is and the forms of code mixing.
 3. Teacher plays the video which will be analyzed by students. *(tanya apa yang student : guru video, bahasa apa, vidnya)*
 4. The students try to discover code mixing that they have watched and listened from the video. *balas tentan apa*
 5. The students analyze their findings of code mixing into the types of code mixing which are insertion pattern, alternation pattern and congruent lexicalization pattern.
 6. *Giving the example to measure their understanding.*
- **Post Teaching Activity (10 minutes)**
 1. Concluding the lesson
 7. *discussing the ~~findings~~ students' findings of code mixing*
